Promenade at Castle Rock Metropolitan District No. 1 (“the District”), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the Town of Castle Rock, Douglas County, Colorado on May 28, 2014, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes).

The District was organized for the purpose of financing and providing public improvements and related operation and maintenance services within and outside of the boundaries of the District. The public improvements include streets, safety protection, park and recreation facilities, water, sanitation, storm sewer, transportation, fire protection, television relay and translation, security services, mosquito control and operations and maintenance. When appropriate, these improvements will be dedicated to the Town of Castle Rock, Douglas County, or other such entities as appropriate for the use and benefit of the District taxpayers and service users. The District, organized in conjunction with two other related Districts – Promenade at Castle Rock Metropolitan District Nos. 2-3. The District's service area is located within the Town of Castle Rock, Douglas County, Colorado.

On May 6, 2014, District voters approved general obligation indebtedness of \$40,000,000 for street improvements, \$40,000,000 for parks and recreation, \$40,000,000 for water facilities, \$40,000,000 for sanitation and storm drainage system, \$40,000,000 for transportation, \$40,000,000 for fire protection facilities or services, \$40,000,000 for television relay and translation services, \$40,000,000 for security services, \$20,000,000 for mosquito control, \$40,000,000 for traffic and safety, \$40,000,000 for operations and maintenance, \$200,000,000 for intergovernmental contracts, \$40,000,000 for private agreements, \$40,000,000 for mortgages, \$40,000,000 for special assessments, and \$200,000,000 for debt refunding. The election also approved an increase in ad valorem property taxes of up to \$5,000,000 annually and allows the District to collect fees of up to \$5,000,000 annually for operations and maintenance, \$40,000,000 in taxes for intergovernmental agreements, \$40,000,000 for private agreements and \$40,000,000 in sales taxes not to exceed 3%. The election also allows the District to retain all revenues without regard to the limitation contained in Article X, Section 20 of the Colorado constitution or any other law.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The District has no employees and all administrative functions are contractual

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April, or in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Pursuant to the Service Plan, the District is required to adjust its maximum Required Mill Levy for changes in the ratio of actual to assessed value of property within the District. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in a amount sufficient to pay the principal, premium if any, and interest on the Bonds as the same become due and payable [and to make up any deficiencies in the Reserve Fund].

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2025, SB22-238, SB23B-001, SB 24-233 and HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000
			Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 9% of the property taxes collected.

Revenues (Continued)

Credit Public Improvement Fees

The Credit PIF is a public improvement fee in the amount of 0.55% of taxable retail sales within the Districts which will be imposed in lieu of, or as a credit against, a corresponding amount of the Town Sales Tax. Credit PIF revenue is pledged to the payment of the Series 2021 Loan.

Add-On Public Improvement Fees

The Add-On PIF is a public improvement fee in the amount of .25% of taxable retail sales within the Districts. Unlike the Credit PIF, the Add-On PIF does not constitute a fee imposed in lieu of, or as a credit against, any part of the Town Sales Tax. Instead, the Add-On PIF constitutes an additional fee imposed upon PIF Sales. The Add-On PIF is pledged solely to the Series 2021 Loan.

Intergovernmental Revenue – District No. 3

District No. 3, the Financing District, levied 42.341 mills for debt service. It is anticipated that District No. 3 will transfer property taxes generated from the 42.341 mills, net of collection costs, into District No. 1 to pay for debt service expenditures.

Net Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4.00%.

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Intergovernmental Transfers - District No. 2

Property taxes generated from the mills levied by the District for operations and maintenance, net of fees, are expected to be transferred to District No. 2, the Operating District, which pays all administrative expenditures of the District.

Debt Service

Interest payments in 2025 are provided based on the attached debt amortization schedule for the Series 2021 Loan (discussed under Debt and Leases).

Capital Pledge Agreement

The District has entered into a Capital Pledge Agreement (the "Pledge Agreement") with Promenade at Castle Rock Metropolitan District Nos. 2 & 3 and US Bank National Association. Pursuant to the Pledge Agreement, the District has covenanted to impose an ad valorem mill levy upon all taxable property of the District as may be needed to pay the 2021 Loan and any other additional obligations.

Reserve Funds

Debt Service Reserve

The District maintains a \$1,475,000 Debt Service Reserve as required with the issuance of the Series 2021 Loan.

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 2, which pays for all Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's 2025 Budget. The Emergency Reserve for these revenues is reflected in District No. 2.
